Subject: Trail Mountain 015009 mid-term review Task 2878

Hello Amy,

Thank you for updating me on the situation with the violations to PacifiCorps, entity 108521, through a relatively new officer (Paul Leighton, entity 129287) in the parent company MidAmerican Energy Holdings Co. (entity 158518). I will review the State requirements before making a recommendation on this issue.

As promised during our telephone conversation today, I have attached the 2008 information for the ownership and control of Energy West (118430) and parent entities:
PacifiCorp (entity 108521),
PPW Holdings LLC (entity 158541),
Mid American (entity 158518), and
Berkshire Hathaway (entity 158506).

I checked this information against the information in the AVS system and where the information differs, I have made notations so that your office can process the information more quickly.

Please call if you have any questions on my notes.
